## Pinch Rollers

### Akai

#### AKAI PINCH ROLLERS FROM VS SERIES

The original pinch roller used in some VS series Akai VCR's was a one piece type. The roller only for this assembly is VPR67. The one piece assembly has been upgraded and if a complete assembly is ordered then a new TWO piece type (VPR150) will be supplied. The roller only for VPR150 is a VPR69. We recommend using VPR150 for reliable service.
